

Funds Availability Policy—**Your Ability to Withdraw Funds**

Our policy is to delay the availability of funds from your check deposits. During the delay, you may not withdraw the funds in cash and we will not use the funds to pay checks that you have written.

The length of the delay is counted in business days from the day of your deposit. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

The length of the delay varies depending on the type of deposit and is explained below. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

Same-Day Availability

Cash and electronic direct deposits will be made available to you on the same business day they are received. Once deposits are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Next-Day Availability

Funds from the following deposits are available on the first business day after the day of your deposit:

- U.S. Treasury checks that are payable to you
- Wire transfers
- Checks drawn on Air Force Federal Credit Union

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit:

- State and local government checks that are payable to you
- Cashier's, certified, and teller's checks that are payable to you
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day of your deposit.

Other Check Deposits

The first \$200 (*formerly \$100—Revised 07.21.2011*) from a deposit of a check will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit. For example, if you deposit a check of \$700 on a Monday, \$200 of the deposit is available on Tuesday. The remaining \$500 is available on Wednesday.

Longer Delays May Apply

Funds you deposit by check may be delayed for a longer period under the following circumstances.

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one day.
- You re-deposit a check that has been returned unpaid.
- You have overdrawn your Account repeatedly in the last six months.
- There is an emergency, such as a failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts

If you are a new member, the following special rules will apply during the first 30 days your Account is open.

Funds from cash and electronic direct deposits to your Account will be available on the day we receive the deposit. Funds from deposits of wire transfers and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000.00 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury Check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the seventh business day after the day of your deposit.

Holds on Other Funds

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your Account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in one of your Accounts with us. The funds in the other Account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.
